# PS Bench Scales — Portable

## Models

**Model PS150** – General purpose scale with 150 lb capacity by 0.2 lbs (70kg by 0.1kg).

**Model PS400** – General purpose scale with 400 lb capacity by 0.5 lbs (181kg by 0.2kg).

## Features

PS series consists of two models of bench scales particularly suited to shipping/warehouse applications and general purpose weighing. These are very affordable scales with accurate weights up to 400 lb.

The dual power modes (battery and AC adapter) enable portability or permanent installation. Batteries not included.

A large, simple to read display can be wall or desk mounted for easy visibility and the large keyboard switches even work for gloved hands. The display cable is a coil style for durability and easy extension to the wall or desk mount.

## Specifications
