

PC SERIES

DIGITAL BENCH SCALE

* CLASS III 3,500 div
CC #96-136A1

The PC Series Digital Bench Scale is an NTEP approved legal for trade, compact, 150lb (70kg) scale with self-contained LED display and keyboard. The scale features a removable stainless steel platform and adjustable feet for leveling.

The PC Series uses full duplex RS-232 serial format to interface with personal computers or remote displays. The scale can transmit on demand or continuously in several popular UPS manifest data protocols.
