

Take the guess work out of pricing with Detecto's DS series price computing scales. Designed for portable use with a built-in rechargeable battery pack, the DS series is ideal for deli's, bakeries, candy and coffee shops, convenience stores, produce markets, hardware stores and more.

**FEATURING:**

- Rechargeable battery pack and AC power cord
- Sleep mode for extended battery life
- Dust/debris cover for extended protection
- Easy-to-read, backlit LCD display
- Easy-to-clean, removable stainless steel platter

**SIMPLE AND  
ECONOMICAL,  
YET TOUGH  
AND PORTABLE**

## DS Series Price Computing Scales

The built-in rechargeable battery supply not only monitors the battery life, but also recharges the battery while the scale is in operation ensuring no unexpected "down time". Pressing the PrePack key after the unit price has been entered, retains that price for repetitive price-computing making the operator's job even more simple.

Adjustable, nonskid feet and internal bubble level ensure steady weighing. The smooth lines of the molded poly enclosure, lift-off stainless steel commodity tray and sealed membrane keypad make cleaning an easy chore. These digital price computing scales include a standard 3 prong AC cord - no large AC adapter to take up valuable wall space. All models display weight, unit price and total price simultaneously.

MODEL	CAPACITY	UPC CODE
DS-6	6 lb x 0.002 lb / 3 kg x 0.001 kg	809161132601
DS-12	12 lb x 0.005 lb / 6 kg x 0.002 kg	809161132700
DS-30	30 lb x 0.01 lb / 15 kg x 0.005 kg	809161132809
DS-60	60 lb x 0.02 lb / 30 kg x 0.01 kg	809161132908
6100-0001	Confectionery Scoop	809161100402

**Display:** 0.75" high backlit LCD  
 Weight: 5 digits

### CUSTOMER DISPLAY

### OPERATOR DISPLAY

The liquid crystal display is backlit to provide easy viewing of weight, unit price and total price. The color-coded keypad insures simple and accurate operation.

For added protection, the "legal-for-trade" DS series includes a dust/debris cover and a water well under the platter to further protect against moisture and accidental spills.
